Did You Know?	4

“Have you ever thought about getting up in the morning and knowing God is already “up to something?” Understand that our Lord is an active Creator, always wanting to partner His activity with us.”

We have just attended our Fall Conference in Eugene and this was a statement shared by one of our speakers. It would be good if we would learn to partner with His plan for our life and the life of those around, and understand that in the heart of the Lord there is a desire to transform, and reshape every part of our spirit, soul, and body. What a hope this is!

Entering into this new season really creates a special sense of God’s transformation among us. Everybody’s desire is always to know what the will of God is, and according to Romans 12:2, the renewal of our minds plays a very important roll to come to a full understanding of God’s heart.

I am very excited about the next few weeks and searching with you the Will of God for you, for our church and for all of those God will bring our way to show His active power and love.

I invite you to join me in a series of Bible Studies in the Book of Romans, starting Wed, night, Oct, 6.

We have many great things prepared for this Fall. Get ready. God is definitely at work.

Pastor Luis

to this world, but be transformed

WOMENS MINISTRY. . .

Did you know that you are God’s treasured possession? Deut. 14:2 says, “*Out of all the peoples on the face of the earth, the LORD has chosen you to be His treasured possession.*” A treasure is something of great value to the owner, and usually something of great beauty. Here are some of the qualities that He seeks to find in us, His beautiful treasure: 1) **A beautiful heart** that is full of God’s love and is free to love others (Eph 3:17-19); 2) **Beautiful eyes** that see with an external perspective what matters most (2Cor. 4:18); 3) **Beautiful lips** that are lined with words of wisdom, encouragement, and life (Col. 3:16-17); 4) **Beautiful feet** that walk in God-confidence and lead others to the Crown of life (Is. 52:7); 5) **Beautiful hands** that hold onto the truth and reach out to those in need (Prov. 31:20); and 6) **A beautiful life** that will forever be remembered by all who had the privilege of knowing you (Ps.112:1-3).

My prayer is that God will help us to understand the beauty that He sees in each of us and help us to recognize it so that we can use it for His glory. No matter what you think you see in the mirror each morning, when your heart is right with God, He only sees something beautiful.

Be blessed!

## HONDURAS COMMITTEE . . .

Blessing to all! Another month has passed and the Honduras Committee has continued to develop itself. We will shortly be introducing our members to you.

We were pleased for Jorge & Rosa Castilla, the Di-dasko Children's Home Directors, to have had the opportunity to visit with the church and share their thoughts. It was an additional pleasure for us to have shared with them the church's continued efforts to build relationships and communication with the kids. This will be a big part of how this committee will help bridge the gap. We want you to know things are moving forward with God's help and guidance.

God continues to be so good. It was a blessing for Pastor Luis and Eggie to have had the opportunity to share with the community how Woodburn Four-square Church helps in Honduras, the mission work done, both physically and spiritually. It appeared in our local paper, the Woodburn Independent, Sept. 15th. All glory and honor be to God!

We extend our continued invitation for those interested in Honduras or simply wanting to know what we're about, to come join us for our monthly gatherings. Our next one is scheduled for October 9th at 5pm—home of Eggie & Mina Maldonado.

With faith in your heart,

If you treat the Sabbath as a day of joy, God's holy day as a celebration, If you honor it by refusing 'business as usual' making money, running here and there—then you'll be free to enjoy God! I'll make you ride high and soar above it all. I'll make you feast on the inheritance of your ancestor Jacob."*
